Please state clearly whether you wish to be buried or cremated

--

If you wish to be cremated, do you have a preference of crematorium?

--

If you wish to be buried, do you have a location in mind, for example, your local cemetery, a village churchyard, or a natural burial ground?

--

Again, if you wish to be buried, do you have a grave space reserved for your burial? If so, please provide as much detail as possible, for example a grave number or copy of a deed

--

Do you want any sort of funeral service or ceremony, or do you want a DIRECT burial or cremation? A direct burial or cremation does not allow for any family members to be present, there is no ceremony. The 'disposal' of the body is separate from any formal proceedings. If you want a direct burial or cremation, please write DIRECT in this box

--

Thinking about your funeral service or ceremony itself:

Where would you like your funeral service or ceremony to take place? For example, in a church, at the crematorium chapel, around the grave, at our premises, or at an alternative location such as a village hall or outside in your garden?

Would you like your funeral service or ceremony to be religious, semi-religious (ie a mixture of religious and secular aspects) or totally non-religious?

Is there a particular person you would like to lead your funeral service or ceremony? For example you may know your local vicar very well, or you may have attended a funeral led by someone in the past

Is there anyone you would particularly like to attend your funeral?

Do you have any music you would specifically like played at your funeral? If so, please give as much detail as possible

Are there any readings or poems you would specifically like to have at your funeral? If so, is there anyone in particular that you would like to read these?

Would you like a collection for charity at your funeral? If so, is there a charity you would like to nominate to benefit from this?

Do you have any specific requests for flowers at your funeral? For example, do you want lots of flowers and colour, or would you prefer to specify just family flowers and that other people make a donation to charity instead?

Do you have a preference for a choice of coffin? For example, a traditional wooden coffin, a cardboard coffin, or an eco-friendly (eg wicker) coffin? Please be as specific as possible, and feel free to specify if you want the cheapest coffin available

Would you like family members to carry your coffin or would you prefer the funeral directors to arrange this for you?

Do you have any specific requests about transport and/or funeral vehicles? Do you want a traditional hearse and any following limousines for mourners, or a horse-drawn hearse, or a simple estate car to transport your coffin to your funeral?

If you want to be cremated, what do you want to happen to your ashes? They could be scattered at the crematorium, or buried in a local cemetery, or returned to your family for them to do as they wish

If you want to be buried (or you want your ashes to be buried) do you want any sort of memorial placed on your grave? This might be a headstone, a plaque, a natural marker or a bench. If you want any specific wording on a headstone, please detail it here

Is there anything else you would like to specify about your funeral? Any requests that are not detailed above can be mentioned in this space

This is a record of my funeral wishes on the date specified below. I understand that these wishes are not enforceable, but I would like my wishes to be taken into consideration at the time of my death. I have left a copy of these wishes with Kingfisher Independent Funeral Services, who I would like to be my funeral directors at the time of need. I have left these wishes instead of arranging and paying for my funeral in advance, and I understand that I am free to update or cancel any of my wishes at any time.
